Principal Report

Hi Everyone,

Welcome back to Term four everyone.

The children have told me of the lovely, exciting things they have done on the holidays- what wonderful weather we had!

Everyone has settled back into routine really well, and just this morning I commented on the great fun, team work and sportsmanship enjoyed in our morning fitness soccer game.

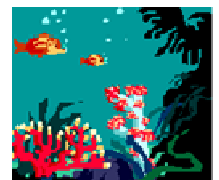

Yesterday morning the children went to The Channon for the SMASH program. This will be happening on Monday mornings for the rest of the Term. Day one was a great success- but I forgot the camera!!! Pictures next week!

New additions to our room!

Finally, we have fish in our fish tank at school. The tank is still a little bare as I need to put in a few plants and hidey holes for them, but they have settled in – as yet to be named.

Mrs Bennett is joining us on Tuesdays for this Term as part of the Support Teacher program. She will be working with a few of our students to help them in any areas of English and Maths that they may have any trouble with.

Just a reminder about changes too for this Term.: Mrs Larsen will be here on Mondays, which means that library will be changed to Monday, not Friday.

A **WOW** moment.

I have been really impressed with students who have completed their homework- the standard has been excellent. However, I must share a WOW moment with you. On yesterday's Homework sheet, one of the choices was to use plastic bags and recycle them into something else. Congrats Mickey on walking into school this morning in her dress made from plastic bags!!

Road safety tips

Kids can be easily distracted on busy roads. Here are some tips to help you show your child how to make safety a priority when they're near traffic.

TAFE open days

One of the best ways to find out more about what TAFE NSW offers is to go to an open day. They're a great way to check out the campus and facilities, and give you the opportunity to talk to teachers and other staff.
