Tuesday 21st October 2014

Hi everyone,

I hope that you enjoyed receiving your lovely pottery that the students did with Yeleena. I know that a few students were away on the day we completed the pottery, but they will be sent home shortly. Thank you Yeleena for your time and expertise.

- Tuesday 28th October 1:30-5:30:- Giant Barred Frog Community Project.

Just a reminder about next Tuesday..... look forward to seeing you all there.

Afternoon tea will be provided - I would like all students to be there till 5:30 to meet the community and share our project. The afternoon is a very important start to our project and to the future directions we take as a school.

The students have been busy organising notes/ information for our community to learn about the frog as well as how to differentiate between a frog and cane toad.

- Disco night for Small Schools - 31st October. There will be a quick P and C meeting on Tuesday 28 October after the Frog Day to finalise our organization for the night.

Have a lovely week
Alison Bath

We shall never know all the good that a simple smile can do.

Quality Education in a Small School Setting

A supportive learning environment that provides opportunity, excellence and success with high expectations that every student will learn and achieve. Quality teaching that incorporates creative technology, meaningful and differentiated learning programs.

A Kids Matter school - Enhancing student learning and wellbeing

Beginning Friday 10th of October- Please contact the school for more Information on 66886212

Nutrition Snippet

The simplest way

...to create a vegie garden at home

This spring all you need to start growing your own vegetable garden is a foam box!

Foam boxes are light and easy for you and your kids to manage.

Step One: Cut six drainage holes in the bottom of the foam box.

Step Two: Elevate foam box by placing it on some old bricks and fill with potting mix.

Step Three: Plant seedlings or seeds, making sure not to over plant (aim to plant around 4-6 seedlings per box).

Step Four: Water and care for your seedlings daily.

Try planting tomato, pumpkin and zucchini seedlings this spring...and watch your kids enjoy eating the results!

**TUNTABLE CREEK PUBLIC SCHOOL
SCHOOL SWIMMING SCHEME
Monday 5 November to Friday 14 November 2014
2 week / 10 day program**

Students from Tuntable Creek Public School will again be participating in the School Swimming Scheme at Lismore Memorial Baths with qualified swim instructors from the Department of Education & Communities. The program will commence on Monday 5 November and conclude on Friday 14 November 2014.

To keep costs to a minimum, students will travel by bus with students from The Channon PS. The Channon PS has kindly offered to pay for all costs associated with the hire of the bus from The Channon PS to Lismore Memorial Baths. Tuntable Creek students will travel by bus to The Channon PS at a cost of \$5.00/student per day. Tuntable Creek PS P&C Committee has also agreed to cover half the cost of the swimming scheme.

Cost of bus travel (10 days) per student	\$83.30
Cost of pool entry (10 days) per student	<u>\$27.30</u>
	\$110.60(no GST)
 Total cost per student ($\frac{1}{2}$ paid by P&C)	 \$55.30 (no GST)

This is a WHOLE SCHOOL excursion - all students will be required to attend.

BTN EP# 17

Today on BTN I was interested in the story about dead letters. Did you know that 900 jobs have been cut because of people not using post. Last year a billion more letters were sent. Now because people are not using post, the post man will send the mail only 2 times a week.

Japanese Cherry Blossoms

The Cherry Blossom is the floral emblem of Japan. Cherry Blossom flowers last for up to 2 weeks. The brief beauty of the flower symbolizes the transient nature of life.

Transient: Lasting only for a short time.

Cherry Blossoms are a great part of Japanese culture. Hanami—a Japanese Cherry Blossom Festival. Japan has had Hanami festivals in Spring for 1000 years. Vendors sell food and souvenirs. There are usually performing arts presented, as well. Hanami consists of eating and drinking under sakura trees.

Sakura—Japanese cherry tree.
