Friday 29th January, 2016

Hi everyone,

Welcome to a new school year. It was great to see almost all students back today with lots of news about their holidays.

We started our first day back with some fun.....

and followed it up with learning French greetings, a postcard holiday snap and a bit of History. We also measured how much we have grown- a bit of estimation first, addition and conversion of units. There were some interesting results!

The first date for your diary is the Swimming Carnival at Alstonville Pool. It will be held on Tuesday 9th February. I will put more details in Tuesday's newsletter.
