Respect - Integrity - Participation

Tunable Creek Road The Channon

Tuesday 10<sup>th</sup> May 2016

Firstly- Congratulations to all students for the fantastic effort they put in to last Friday's Cross Country at Corndale. Mia and Hayley will go on to Zone Cross Country, which will also be held at Corndale.

Last Thursday, Hudson, Ruby, Hayley and Jay went to the GRIP Student Leadership Conference at Lismore City Hall. Students participated in different sessions and fun activities on 'How to Grow as a Leader'; 'Bye Bye Bullying'; 'People to Influence'; 'Traffic Light Leadership'. At the conclusion students had a Q & A with the GRIP Leadership Team. It was an excellent day of learning and working with others.

NAPLAN for students in Years 3 and 5 began today, starting with Language Conventions and Writing. These tests are a snapshot of students' learning at this point in time. We have spent time talking to the student's about strategies and techniques for testing and, most importantly, to face the challenge and do your best. We are very proud of the achievements of all our students. Everyone learns differently and at different paces:- a culture of continual learning so that everyone can achieve their potential and be a successful person in society is our school vision. NAPLAN is a part of the journey.

The overall goal requires my contribution.

Different people's contribution is required at different times.

A person doesn't become a better leader by being chosen; they become a better leader by continually growing.

Leadership is about having a POSITIVE influence on others.

It is not enough to just know what leadership. I must grow in leadership and show leadership.

Leaders reflect on what they have learned.

### HOW TO SAY BYE-BYE TO BULLYING:

1. Spot it out
2. Speak out
3. Stamp it out

BULLYING IS THE RESULT OF PEOPLE'S  
WRONG ACTION

TO STAMP OUT THE BULLYING THE ACTION  
OF LEADERS IS REQUIRED.

## Good reasons to eat at the dinner table!

There are many benefits of eating at the dinner table, especially as a family, these include:

- 1) Nutrition- There is an increased likelihood of eating vegetables and people are less likely to consume fried foods, processed foods and sugary beverages.
- 2) Communication- While you are all sitting together over food, children are more willing to communicate their actions and thoughts with the family which increases family connectedness and allows the family to learn from one another.
- 3) Manners- Children develop appropriate table manners, meal etiquette, and social skills.
- 4) Variety- Increased likelihood for children to try new vegetables and foods, especially if they see the others consuming that food.
- 5) Behaviour- Children are less likely to participate in destructive behaviours.
- 6) Save money- People are less likely to over-eat when distractions are limited.
