

Tuntable Creek Public School

Respect - Integrity - Participation

Tuntable Creek Road The Channon

ph: 66886212

Tuesday 19 November, 2019

Hi everyone,

I'm very thankful that all our families are safe after the events of last week's fires. I would like to acknowledge the amazing work of the RFS and many other people who have been working tirelessly over the last week to help our local communities.

Important notice for Parents – Bushfire Evacuation for Tuntable Creek School

In the event of a bush fire threat where our school must evacuate immediately, students will be transported to The Channon Public School.

If in the event that The Channon is also evacuated, our next evacuation point is Modanville Public School.

Please note that we will notify parents regarding any evacuation proceedings.

Bunnings Workshop Day

Our trip to Bunnings was really great. Students took their project details and research to Bunnings to look at how we could help create a sustainable environment for our pollinators in our vegetable garden.

Students asked Bunnings staff about the information on the plant labels, discussed water saving ideas and solved mathematical problems for the space we have as well as the best value for money when buying products.

I was really impressed with our student's research knowledge and commitment to sustainability.

Student's also potted their own plants in biodegradable coffee cups. They also chose a particular fruit or vegetable to look after in the garde.

Thankfully, with our week off school due to the bush-fires, our plants have survived fairly well and today we started to plant them.

We also bought some new bee, butterfly and insect homes to put up.

Upcoming Events

Thursday 21 November

Light painting at Whian Whian P.S.

Term Four- Kindergarten Orientation

Fridays. Please ring our school for information.

Tuesday, 26 November and Tuesday, 3 December.
