

Hi everyone,

We had lots of fun last Thursday at Whian Whian School learning how to do Light Photography with Rod.

We also enjoyed spending time with the students and staff at Whian Whian School.

Yesterday afternoon, students spent a Well-being hour with Sarah from Social Futures. Social futures provided some clay as a wellbeing activity to allow students to talk about the bushfires and create a piece from clay to keep. Such a beautiful gesture. Thank you to Sarah and Social Futures.

School Camp

The note for our Family Camp went home on Monday. Thank you to the P and C who has agreed to subsidise the majority of the cost. If you have any questions regarding the accommodation please ask. The initial accommodation, I mentioned in the previous note, was not as close to our activities and we made the decision to change to Nobby Beach Holiday Park.

As we have a meeting with the School Director next week, we can discuss any other issues before or after the meeting ends.

Looking forward to the Villas!

Student Reports

Miss Jodie and I are busy organising the student reports. I can't believe it is the end of another year and we soon say goodbye to our Year 6 students. Reports will
