

### Principal News - Ms Laura Cromptvoets

I It certainly has been a fun filled week at Tunable Creek! The beginning of the week saw the excursion to Byron Bay. Staff and students were blown away by Aunty Delta and her Dolphin Dreaming program. We loved listening to her stories, having ochre painted onto our faces and learning a traditional welcome dance. We further ventured onto The farm where we got to hose down the pigs and learn about sustainability. There were a few sleepy students on the bus ride home.

On Thursday we headed into The Channon Public School, in collaboration with Whian Whian Public School as part of the MYLI schools project. 3-6 students participated in STEM challenges, whilst K-2 were engaged with Music and Science.

Next week I will be meeting with colleagues for two days of professional learning with Newcastle University. We will be looking at 'Quality teaching Rounds'. Miss Jodie will be here to continue our learning programs.
