Principal News - Ms Laura Cromptvoets

Next week I will be meeting with colleagues for two days of professional development on Visible Learning with Professor John Hattie in Brisbane.

Visible Learning is an evidence-based school wide system improvement process and provides the clarity you need to focus on the practices that have the highest impact on student achievement. This is designed to provide long term sustainable solutions to improve student learning and increase school wide achievement.

Ms Jodie will be covering my class on Monday and will be attending Infantry on Tuesday. Mrs Houlden will be in on Tuesday and Wednesday.

This week we have started our Bush Music Program with Ms Jodie; which the students are thoroughly enjoying.

Today we have started beautifying our front garden by planting new flowers. Thank you to Ms Jodie for organising the plants for this project.
