

### Principal News - Ms Laura Cromptoets

This term we have been learning about the author Roald Dahl. We have read George's marvellous Medicine and Matilda.

Sapphire- My favourite book was *George's Marvellous Medicine* because it was really fun and you got to listen to all the things he put into the medicine. I liked the artwork that we did with it. I enjoyed working with watercolours.

Roald Dahl is a fun person and he knows what kids like.

Hailey- I liked both of the books equally because they were both funny, interesting and descriptive. They were great stories to listen to. I really enjoyed them.

Roald Dahl is an amazing children's author. I feel he writes his books aimed at a primary school level.

**Cassidy- My favourite book was Matilda, it was interesting. George's Marvellous Medicine was over one day, whereas Matilda was over a period of time. Also the book (Matilda) wasn't constricted to one topic.**

**Roald Dahl is very creative and aims his books at children.**

Ava- I liked them both equally because they included the reader and the books were interesting.

Roald Dahl uses a lot of adjectives in his books.

Artie- My favourite book was Matilda because it's funny and it's a great book. It is an interesting book and doesn't always use the word 'this'.

Roald Dahl is a great writer. I want to read more of his books!

Skye- *I liked Matilda because it was funny.*

*Roald Dahl always writes funny books.*

**Look at all of our beautiful artworks!**

Yashi is a pug and she likes to play with balls and -  
 she licks every one. Her skin colour is creamy. Yashi has some light  
 brown on her back. Yashi's nose and ears are really really dark brown  
 and her face too. Yashi love to 'tiger' anime and  
 She is soooo cuddly and soft too.

Yashi the pug  
Yashi is a pure breed pug with  
a beautiful coat and distinct pattern on  
her back. Yashi has black in her eyes.  
She has a squished nose and  
wrinkles like ripples on water. Her eyes  
are as dark as the night sky  
yet she's as friendly as a daisy. Yashi has  
tan skin with a patch of missing fur on  
her belly. Her nails are as black as a match.  
Yashi's chubby as a chipmunk's  
cheeks. She's as loyal as a golden  
retriever unless she sees Barten.

Yashi is as playful as a 4-year-old on  
a bouncy castle. She's as soft as a  
new born baby. Her tongue's as rough  
as bark. In conclusion, she's the cutest thing  
ever!!!

## Mrs Trunchble

The Nasty old hag, is an intimidating, boisterous  
lady. She is enormously strong and is  
quite fat and tall. She is abusive, physically  
and mentally and not only to children but to  
adults as well. She is mean and stubborn  
and will do anything ~~to~~ in her power to get  
her way. She is twisted in the head and is  
probably lonely because of her <sup>psychotic</sup> acts.  
Her hair is pulled back into a tight bun and she  
struts around as if she is on the catwalk  
as her waist blobs over her tight shorts.

## Literacy Stories

### Matilda "The New place"

If I could change Matilda I would change the setting to a country town that adores books. This would propaly be in Canada beause Canadian people are nice. I think that the parents moved there so they could get away from the booke but ended up worse.

I would change the setting to this because it would be funny to see the parents reaction and how they would deal with Matilda reading every book there! It would be intresting to see how the perants would act and would this chang them at all?
