Are you tired of those pesky 5 cent pieces?
Do you want to know what to do with them?

Well, Tuntable Creek Public School kids do! We're collecting 5 cent pieces for our fundraising day "Talk Like a Pirate Day" (19th September) for kids with cancer. Students want to see how many soft drink bottles they can fill with 5 cent pieces. Can you help with the challenge? Send in your 5 cent pieces and help Make a Difference

Hi everyone,

We're all looking forward to the Performing Arts Festival this week. Rehearsal time went well yesterday and we also were able to see a few other performances as well.

Students need to be at The Workers Club by 6:00 on Thursday night. I will be waiting near the bistro stairs to take students to the room we are in.

Just a reminder that students will remain with teachers until the end of the night. Our meeting area is the same spot we have every year.

Netball

This Thursday is the last week of Netball at school as the next few Thursday's are busy with other events. However, we have arranged to go into the Netball Courts the last week of term and combine this with a trip to the Historical Museum. A note will come out when all details are finalized.

Talk Like a Pirate Day

The students have decided that one of the fundraising activities they want to do is to see how many 5c pieces we can collect to fill soft drink bottles. So, please find all those pesky five cent pieces you have and send them in! The students are on a mission to see how many soft drink bottles we can fill. I know that I've got quite a few 5c pieces!

Don't forget, we have a donation page on our facebook page or type in the link <https://talklikeapirateday.com.au/tunablecreekpublicschool>

TEAMS Day

Next Thursday is TEAMS day at The Channon. Students need to be at the oval from 9:45. We will have our shade tent up along from the canteen down towards the park. Always a great day of fun with other schools and the canteen is fantastic too!
