

Hi everyone,

Last Friday, we completed our celebrations NAIDOC week with stories, art and craft work, a yarning circle and making traditional Johnny Cakes. We are still in the process of finishing up our spray painting art and a large puzzle mural. These will look great on our walls once complete.

Swimming

Yesterday we began our swimming lessons at Trinity Pool. It was so nice to be in the water during such a hot day. As we are sharing the pool with Whian Whian Public, our groups are very small. Students aren't allowed to mingle with students from other schools, so our students are getting time well spent in the pool. Students who were a little tentative to start with were really enthusiastically participating. A year makes a difference as well as realizing that they can touch the bottom in the shallow end now that they are taller.

Remembrance Day

Last Wednesday, at 10:45 am, we joined in to the live Remembrance Day Service that was held in Martin Place, Sydney. After the service, we went and laid our wreath at the base of the flagpole and put the flags back up from half-mast. It was a lovely service.

Upcoming Events

Intensive Swimming Program

Week 6 (16-20 November)

Kindergarten Orientation Days

Fridays from November 6

Break and Enter

Please be aware of happenings around our school as we had another attempted break-in on the weekend.

If you see any unusual activity on site please phone the police on 66891244 or our Safety and Security hotline on 1800 811 523

Transition to High School

Today and over the next few weeks, our Year 6 students are attending Orientation Days at High School. What an exciting time for them to meet new teachers, make new friends and check out their future schools. Wishing them all a fantastic time and I can't wait to hear how they went today.

Report Cards

We are in week 6 and busy organizing our school reports for the end of year. Reports will go out in Week 9 and I will let parents know over the coming weeks about parent/teacher interviews.
