

Hi everyone,

It's not that long until December and then only 16 days before the end of school term.

Last Wednesday, we had a special visit from Marie, our Scripture teacher. She was able to come out and wish students a lovely Christmas. It was good to see her looking well. We look forward to seeing her next year.

### Class learning

Our poetry unit has moved on to understanding metaphors. Those sentences that create great visual imagery when we read. In poetry this week, students will be adding a metaphor or two to their work. We had fun this morning interpreting metaphors by drawing what we read.

The changing of the guard at Buckingham Palace (well, Tuntable Creek )

Just to let parents know that Darren, our G.A. is helping out at Nimbin Central School on a Wednesday until the beginning of next year. Peter Larsen has kindly taken on that role for us.

The students are really excited as Peter has made a new basketball backboard for us. It has just been painted and will soon be back up ready to take on the action again. Thanks Peter.

Have a lovely week
