

its beginning to look a lot like christmas

Hi everyone,

Swimming School

The teachers returned from the first day of swimming with nothing but praise for our students.

The students were respectful, great listeners, followed all the rules and had a great time.

Well done – a great reflection on our school.

Coming Up

December 6 to 10

Swimming program

School Reports

Sent home on December 10

December 14

End of year assembly-
students only

Last Day of school for
students- **16 December**

School term 2022

Tuesday 1st February

Attendance at school- Just a reminder

Regular attendance at school is essential to assist students to maximise their potential. Schools, in partnership with parents, are responsible for promoting the regular attendance of students.

Parents are required to explain the absences of their children from school promptly and within seven days to the school. An explanation for absence must be provided to the school within 7 days of the first day of any period of absence.

With today's newsletter, I'm attaching a note for parents who may have forgotten to send in an explanation for their child's absence.

Thanks for attending to this matter- much appreciated.

Next week

This has been a rather unusual year with many different requirements for schools around Covid19 regulations to keep students, staff, and parents safe.

With this in mind, we will, unfortunately, not be having our usual festivities for end of year.

On Tuesday next week, we will have a small assembly with our students, to celebrate learning over the year.

I think a celebration at the beginning of next year may be in order, just like the Chinese New Year.

The Chinese New Year for 2022, falls on February 1 and the New Year animal sign is a Tiger. A very appropriate year for Tuntable Creek Tigers.

Have a lovely week

Mrs Bath
