

Tunable Creek Public School

Respect - Integrity - Participation

Tunable Creek Rd The Channon www.tunableck-p.schools.nsw.edu.au ph: 66886212 Tuesday November 15 2022

Hi everyone,

Our students participated in our Remembrance Day assembly on Friday. Wreaths were made by the students and placed at our flags and Lealand read the poem 'In Flanders Fields.' Students also made Poppy and Rosemary lapels for everyone to wear.

Our garden is looking lovely at the moment. Students have been busy with Mrs. Houlden pruning, weeding, rearranging, and planting. Our Brazilian Cherry tree has also given us an amazing harvest this year. We also have taro, cucumber, strawberries, and tomatoes.

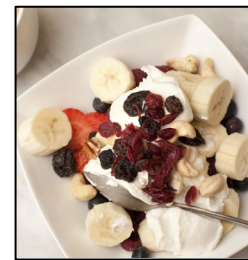

We are starting an aquaponic tower garden to see if we can produce a better outcome for some of our seedlings. We are very excited to see how this all works out.

In Science, we have focused on Materials in our world. This week we will carry out Science experiments based on what they have learnt.

Miss Jodie was away at a Professional Learning course today. Mrs. Cantrell took the class. Students spent time on procedures and ate their results.

This week:

Wednesday breakfast

Coming Up

Kindergarten Orientation

Friday November 18 and 25

Student Reports sent home
December 9

Mrs Lord is taking the class tomorrow while I am at a Principals meeting.

Teachers are starting to write the end of year student reports. There will be a change to the K-2 reports as we prepare to start the new K-2 Mathematics and English Syllabus next year. This will be explained when the reports are sent home on December 9.

regards

Mrs Bath

- ♦ Promoting active citizenship in a safe, sustainable and caring environment

2023 YEAR 7

Parents and Caregivers of 2023 Year 7 Students

Taster Day: Tuesday 22nd November 2022
Orientation Day: Tuesday 29th November 2022
Taster Day: Tuesday 6th December 2022

Nimbin Central School is once again inviting Year 6 students from our feeder Primary Schools to participate in a formal welcome to our Year 7 2023 cohort on **Tuesday 29th November 2022**.

Secondary Taster Days on **Tuesday 22nd November** and **Tuesday 6th December**. The objective of these days is to offer Year 7 2023 students a secondary school experience that assists in the positive transition from Primary to Secondary education.

All three days will operate during the normal school hours of **8.55am to 3.15 pm**. During the Secondary Taster Days, Year 7 students will participate in a range of secondary school subjects.

Students should attend equipped with pens, pencils, a ruler, eraser and writing book to allow full participation. A school bag, bottle of water, and hat are also recommended items. Students are welcome to bring their lunch to school or they may purchase food and drink from the school canteen which needs to be ordered before 9am.
