

Tunable Creek Public School

Respect - Integrity - Participation

Hi everyone,

We have finalized our end of year happenings at Tuntable Creek.

A note will be sent home later this week regarding two excursions.

Our first excursion will be to Macadamia Castle (now known as the Byron Bay Wildlife Sanctuary) and our second excursion will be to Ballina Ten Pin Bowling with a lunch of fish and chips.

End of Year Concert

Mark your diaries for Tuesday December 13. Our end of year concert will begin at 5:00p.m. with dinner, followed by our concert. This will also include our traditional Year 6 farewell with fabulous photos of the years spent at Tuntable Creek School (plus a few cuties supplied from home).

It is very exciting to look back over the years to see how students have grown and changed and celebrate the end of one journey, ready to begin the new one at High School.

Bush Fire Season

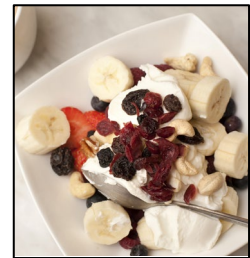

Our school has been upgraded to Bushfire Risk Classification One.

This means that when the NSW Rural Fire Service (RFS) declares a **Catastrophic Fire Danger rating**, Category 1 and 2 schools will be directed by the department to proactively temporarily cease school operations for the next day.
