Hi everyone,

I'm going to start off the newsletter with a story scribed to me this morning about the new additions to our school.

We haven't decided on the names yet.

## Cross Country

This Friday, May 13 is the Dunoon District Cross Country. Parent notes are due back tomorrow.

There is also the possibility that we won't be able to go ahead with it this Friday, therefore the following Friday will be our backup day. I will let you know tomorrow what we will be doing.

## P and C Meeting

The P and C meeting will be held tomorrow, 11 May at 3:15 at school.

It will be an important meeting regarding the 100-year celebration next year. Look forward to seeing you then.

## Teacher chats and reports

As mentioned in last terms' newsletter, I would like to meet with parents/carers regarding how their child/children are progressing at school. It has been a very disruptive year and we haven't had a chance to chat.

I am sending home a note that allows you to put down times and dates that suit you. If you would also like to catch up with Miss Jodie or Mrs Houlden as well, please indicate this on the form.

Reports will go home at the end of Week 8. They will be simplified because of the disruptive start in Term One.

## Weather

With the forecast of more rain, there is the possibility that the causeways may become uncrossable. We always keep an eye on them when at school to ensure everyone can safely get home.

I will ring or text you regarding the school status if our school becomes non-operational due to the amount of rainfall we have.

School photos have been rescheduled for the 10<sup>th</sup> of August.

I hope that mums had a lovely Sunday and enjoyed Mother's Day with family.

Regards,

Alison
