

Hi everyone,

I begin by apologising for the lateness of today's note regarding the excursion to Modanville tomorrow.

As explained in the note, we only had the final organization confirmed last Friday afternoon after everyone had left for the day.

## Canberra Excursion

Students from our school will soon be undertaking, an education tour of the national capital. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of \$90 per student under the Parliament and Civics Education Rebate program towards those costs. This is an increase from last year's rebate. The rebate is paid directly to the school upon completion of the excursion.

This cost was already factored into the cost sent home to parents in the initial note.

**A Meet and Greet session will take place at Coffee Camp Public School on Tuesday 21st June at 10am.** The students will be taken through a power point of the itinerary, discuss expectations of behaviour, Q and A and undertake some get to know you activities. This will not be available on Zoom. It is important that students attend this session.

**Parents-** could you please remember to bring in morning and afternoon drinks and snacks for me to pack on to the bus for our school to take with us. These need to be given to me on Thursday June 23.

Regards

Mrs Bath

This week we introduce you to the Learning Disposition - ATTENTIVE. Being attentive helps us in ALL of our learning and communication situations. We remind each other to be attentive at all times in school. We have talked about what being attentive looks like and what it isn't.
