

Hi everyone,

We had a lovely time at Modanville Public School last week. The musical was great. Students commented on the fun parts and the costumes that the children had made. We also had time to play with other students. Apologies your student brought home the sandpit from there!

Canberra Excursion

Students had the meet and greet day at Coffee Camp School today. It was nice to see the students mingling, chatting and getting excited for the big week ahead of us.

Students need to be at Lismore City Hall by 7:30 at the latest, so we can head off at 8.p.m. If your child is unable to attend due to any illness, please let me know on Sunday morning.

Also- morning and afternoon tea for the 5 days needs to be in on Thursday for me this week so I can organize a tub to go under the bus with all the food in.

Any questions, please contact me before Friday afternoon, otherwise, I will see you at the bus on Sunday night.

Week 10

While I am away next week, Miss Jodie, Mrs Lord and Mrs Houlden will be looking after the class. They will have my phone number if they need to contact me over this time.

Library books need to be returned this week or next so that Mrs Luce can organize the library before school finishes.

Thank you for all your support this term. It has gone very quickly.

If I don't catch up with you before the end of this week, I wish you all a safe and happy holiday.

This week:

Students are really getting the hang of recognising, describing, and using our schools chosen Learning Dispositions. There are eight which we are really focusing on and they encompass many others within.

This week we introduce you to Taking Ownership!

Once again this is important in all areas of life. It is about taking pride in all you do, being organised and ready for daily activities, making good choices and being responsible, and being motivated, engaged and self-directed.
