Coming to Tuntable Creek Public School

Hi everyone,
The last day of February and our Summer Season.

Tomorrow I will be attending the Zone Swimming Carnival with students from our Dunoon District. As Small Schools, we always combine to help each other when staff are required to supervise students on events such as this one, mine is for Swimming.

Mrs Lord will be taking the class.

Life Education

Just a reminder that Life Education will be at Corndale Public School, Monday next week. Students will need to bring lunch, recess, and a drink if they are not buying from the canteen on the day. I have received the canteen list and it is attached with this newsletter.

Meetings on Friday

Just a reminder for parents about the meetings this Friday. A note was sent home with your child last Friday confirming the time for your meeting.

Regards

Alison Bath

Principal

Coming Up

Monday March 6

Life Education at Corndale

NAPLAN testing

During Weeks 8 and 10
(15-27 March)
