Hi everyone,

We come together to celebrate Harmony Day on 21 March.

Created in 1999 to celebrate unity and diversity, Harmony Day was originally an Australian celebration but is now marked worldwide by conscientious citizens.

Orange is the colour chosen to represent Harmony Week. Traditionally, orange signifies social communication and meaningful conversations. It also relates to the freedom of ideas and encouragement of mutual respect.

Soccer trials

Next Monday, March 27, there will be a boys soccer trial at Dunoon Public School to create a Dunoon District Soccer team to play in the Soccer Knockout game with the first game to be against Bexhill Public School.

A note will be sent home with the information for parents.

What was school like at Tuntable Creek?

Students spent time exploring the different areas of the playground with Mrs. Luce last week. They were looking at where the school played cricket, where the horse paddock was where they put the horses, they rode on to school, where the school assembly was, and even where the pump station for the toilet use to be! (Lots of giggles with that one!) Having Mr. Larsen talk about the old days is certainly entertaining.

This week, I will be away again on Thursday. Mrs. Cantrell will take the class for the day.
